

Enjoy a new dimension in digital cinema with XBO[®] lamps.

OSRAM brings new standards to digital cinema.

SEE THE WORLD IN A NEW LIGHT

Digital cinema screens are increasing worldwide so film fans can enjoy pictures with sharp resolution and higher quality. With the latest generation of XBO lamps, OSRAM – the market leader for cinema lamps – offers ground breaking solutions for a wide variety of digital projectors. The OSCAR®-winning XBO lamp was further developed for the new requirements for larger screens. Digital cinema lamps provide higher luminance while sustaining long life. With its wide range of XBO products, OSRAM is well prepared to support the new digital projection era.
